

# Your brand's best friend.

Fetch Fulfillment provides **best-in-class order fulfillment** for your growing e-commerce brand.

Most 3PLs are good at one thing, like shipping on-time, or having fancy tech, or picking up the phone. Fetch is stellar at all three: it provides high-end boutique-grade customer service – as seen in its glowing reviews and +92 net promoter score – combined with real-time cutting-edge tech and a well-managed operation.

## What can you expect from Fetch?

- ✓ An efficient pick & pack operation which hits SLAs consistently and prevents mistakes by design
- ✓ World-class tech with real-time dashboards, details on all inventory and orders, and audit trails
- ✓ A clean, 24x7 recorded facility where you feel safe keeping your products and can come visit any time
- ✓ A customer success team who picks up the phone and sits on-site with your inventory
- ✓ Total transparency on pricing, with order-level detail on invoices
- ✓ Commitment to making order fulfillment the least stressful part of your business

## Fetch excels at careful work, especially in:
